

Animal Advisory Committee, January 13, 2015

Voted: to Recommend to the Board of Selectmen the Policy on Behavior Evaluation of Companion Animals in the Shelter

Policy on Behavior Evaluation of Companion Animals in the Shelter

The Rehoboth Shelter will administer a behavior evaluation testing procedure to each companion animal in the shelter, to be done by the Animal Control Officer or other trained and/or experienced personnel. If questionable issues come forward, the Shelter will consult a certified trainer.

Approved by the Board of Selectmen on 2/17/15
