Old Business: Discussion of 25 Mason St stable permit

New Business:

- Nurse & Health Agent Reports
- Discussion of policy on low profile chambers. Three systems within 3 years have failed in the town. It is a poor product even though the state approved it. They settle into the sand and plug up causing the system to not drain properly.

Motion made that a Board of Health policy be made to prohibit the use of low profile chambers in Rehoboth made by T.Gaucher, 2nd by M.Hass, approved.

- Discussion of hydrogeological study at 155 Perryville Rd. Fuss & O'Neill will give a price on consulting and we will contact the developer to pay the consulting fees through the town. The Town Interim Treasurer will setup an account in order for this to happen.
- RJ Souto seems to have gone out of business. Dumpsters in town have not been picked up and they sent out bills after not picking up the trash.

Motion to send a letter both certified and regular to Souto telling them to contact the office within 30 days or the Board will suspend or revoke their Rubbish Hauler permit made by M.Hass, 2nd by T.Gaucher, approved.

Next meeting is scheduled for October 26, 2021

Motion to adjourn at 8:21pm made by M.Hass, 2nd by K.Eyer, approved.
