THE COMMONWEALTH OF MASSACHUSETTS

Town of Rehoboth

Bristol, ss

To any of the Constables of the Town of Rehoboth

Greetings:

In the name of the Commonwealth of Massachusetts you are required to notify and warn the inhabitants of the Town aforesaid who are qualified to vote in Elections and Town Affairs, therein, to meet in the Dighton Rehoboth Regional High School, on Saturday, March 1, 2014 to act on the following articles:

ARTICLE 1. Dighton Rehoboth Regional High School

To see if the Town will approve the \$6,698,587.00 borrowing authorized by the Dighton Rehoboth Regional School District, for the purpose of paying costs of making roof repairs to the District High School, located at 2700 Regional Road in North Dighton, and for the payment of all other costs incidental and related thereto (the "Project"), which proposed repair project would materially extend the useful life of the school and preserve an asset that otherwise is capable of supporting the required educational program, and for which the District may be eligible for a school construction grant from the Massachusetts School Building Authority ("MSBA"), said amount to be expended at the direction of the School Building Committee. The MSBA's grant program is a non-entitlement, discretionary program based on need, as determined by the MSBA, and any Project costs the District incurs in excess of any grant approved by and received from the MSBA shall be the sole responsibility of the District and its member municipalities, or take any other action relative thereto.

ARTICLE 2. Beckwith Middle School

To see if the Town will approve the \$2,827,207.00 borrowing authorized by the Dighton Rehoboth Regional School District, for the purpose of paying costs of making roof repairs to the Beckwith Middle School, located at 330 Winthrop Street, in Rehoboth, and for the payment of all other costs incidental and related thereto (the "Project"), which proposed repair project would materially extend the useful life of the school and preserve an asset that otherwise is capable of supporting the required educational program, and for which the District may be eligible for a school construction grant from the Massachusetts School Building Authority ("MSBA"), said amount to be expended at the direction of the School Building Committee. The MSBA's grant program is a non-entitlement, discretionary program based on need, as determined by the MSBA, and any Project costs the District incurs in excess of any grant approved by and received from the MSBA shall be the sole responsibility of the District and its member municipalities, or take any other action relative thereto.

To see if the Town will vote to transact such other business as may legally come before said meeting.

And you are hereby directed to serve this Warrant by posting up attested copies thereof in the Office of the Town Clerk and in not less than three other public places in each of the three precincts of the Town fourteen (14) days at least before the day fixed for the meeting.
