

18th Annual Larry Procopio

Rehoboth Harvest Block Party

The Rehoboth Harvest Block Party is a volunteer event and was founded on the simple premise of bringing the community together for a day of fun and fellowship. The event receives no funding from the Town of Rehoboth and does not charge a 'space fee' or admission to the event. Historically, we have relied solely on the revenue generated through the committee's sale of food and beverages to cover the costs of items not donated. Over the past few years, we have seen an increase in the number of vendors offering food and beverages, which has both benefited and challenged the event. The participants enjoy the variety of offerings but the growth of food vendors has significantly reduced the funds available to support the event.

The Committee has discussed several options to address the decline in revenue, while still maintaining the premise upon which the event was founded – a fun filled and free event for families in our community. We recognize there are a variety of food vendors who offer wonderfully tasty prepared treats to those who visit the event with the goal of supporting the event and generating a profit. With this in mind, we ask those who will be offering food for sale to support the following schedule of suggested donations:

Food Vendor Type	Suggested Donation
Prepared food / treats / beverages offered for sale and consumption at the event; i.e. hot and cold food, ice cream, funnel cakes, etc.	\$40.00*
Prepared food / treats / beverages offered for sale to be brought home for consumption; i.e. baked items, jams, candy, etc.	\$25.00*
Non-Profit organizations offering prepared food / treats /beverages for sale and consumption at the event	\$15.00*

*Please consider a larger donation

We sincerely appreciate your support so the Committee can continue to offer the community an enjoyable day that is affordable to everyone. On the reverse of this page, please find the registration form to fill out and return to:
