Town Residents with Special Trades and Crafts**

From: The Rehoboth Harvest Block Party Committee

Dear Friends,

Our 18th Annual Larry Procopio Harvest Block Party will take place from 10am to 3pm on Saturday, September 16, 2017 with a rain date of September 17th on the Redway Plain at the corners of Winthrop Street (Route 44) and Bay State Road and Pond Street.

This event is endorsed by the Town of Rehoboth and has been organized for the past eighteen years by many of the folks who organized the 350th Celebration. This is a "NO" booth charge, "NO" admission and "NO" parking fee event.

Along with dozens of booths, the event will feature lots of entertainment and offer special activities for children including tractor and train rides, hayrides, and a petting zoo.

There will be bake sales, a large farmer's market, and food vendors. The day's events will include dance and art demonstrations, bands, and a disk jockey. We hope to add to our list of attractions as the months go by.

Remember, all DISPLAY BOOTHS for town organizations are FREE. So please start thinking now about how to use the space to promote your group and/or sponsor a fund-raising opportunity for your non-profit organization.

Please use the attached form and return it to me as soon as possible; or call me, Mary Beth Moriarty at 508-252-9415. Hope to hear from you soon.

Sincerely,

Mary Beth Moriarty
