On July 24, 2023, the Department of Public Utilities (“Department”) conducted a virtual technical conference to engage stakeholders in a discussion on its December 28, 2022 Interlocutory Order and Draft Policy. We invite any interested person to provide written comments on the matters discussed at the technical conference.

All comments should be filed with the Department **no later than Monday, August 14, 2023**. All comments must be submitted to the Department by email attachment to dpu.efiling@mass.gov, laurie.e.weisman@mass.gov, and scott.seigal@mass.gov. The text of the email must specify: (1) the docket number of the proceeding (D.P.U. 21-50); (2) the name and contact information of the person or company submitting the filing; and

(3) a brief descriptive title of the document. The electronic file name should identify the document but should not exceed 50 characters in length. Importantly, all large files submitted must be broken down into electronic files that do not exceed 20 MB. Written comments will be posted on the Department's website through our online file room at <https://eeaonline.eea.state.ma.us/DPU/Fileroom/dockets/bynumber/21-50>.

At this time, all documents will be submitted only in electronic format consistent with the Commission's June 15, 2021 directive related to modified filing requirements. Ordinarily, all parties would follow Sections B.1 and B.4 of the Department's Standard Ground Rules (D.P.U. 15-184-A, App. 1 (March 4, 2020)); however, until further notice, parties must retain the original paper version and the Department will later determine when the paper version must be filed with the Department Secretary.

For any questions regarding this memorandum, please contact Senior Counsel Laurie Ellen Weisman at laurie.e.weisman@mass.gov or Hearing Officer Scott Seigal at scott.seigal@mass.gov.
