Dear Students and Parents/Guardians:

Yesterday, you received a letter from the Dighton-Rehoboth School District Superintendent, Dr. Azar, explaining how the school district will work together to keep our school communities healthy. At the high school, we know that students and parents will have questions about how the guidelines affect high school students specifically. As we work together to keep our school community healthy, we will bear some inconveniences.

As of today:

- The SATs scheduled to be administered at DRRHS this Saturday have been cancelled
- You can go to the [College Board website](#) for guidance on how to get a refund or reschedule your SAT test
- the ASVAB test administration scheduled for Monday, March 16th, has been postponed to a date to be determined
- we are suspending plans for the Citizens Scholarship Foundation door-to-door campaign scheduled for next weekend (March 20th-22nd)
- the high school will not host the Steamposium this year
- The College Fair and Junior College Planning Night, March 26th, has been cancelled

We regret the inconvenience these changes will bring to students and families. As circumstances develop we may make adjustments to future High School offerings. If you have additional questions, please call the administrative team at the high school.

Sincerely,

DRRHS Administration
