Apply promptly, this is a limited time offer, in select towns.

MassDEP is offering private well owners an opportunity to receive free testing for PFAS compounds in communities where 60% or more of the consumers use private wells, like *Rehoboth*. The link to apply for free sampling is <https://dwp-pfas.madwpdep.org>. For more information about the program, see their FAQ (<https://www.mass.gov/doc/frequently-asked-questions-about-the-massdep-private-wells-pfas-sampling-program/download>). You may also call 413.545.7327 to receive a kit.

Thank you, Rehoboth Board of Health
