

## **No Snow Deposited in Public Way**

Rehoboth Town By-law (Article VI, Section7) prohibits the depositing of snow or ice onto or across any public way, which has been cleared or plowed for public travel. This by-law addresses the ongoing problem of private contractors and homeowners plowing snow from private driveways into the public way. This causes unsafe road conditions which must be corrected by the Highway Department. Any owner or agent violating this by-law shall be punished by a fine as well as any cost incurred by the Highway Department to correct the conditions.
