Children from households that meet federal guidelines [above] are eligible for free or reduced price meal services. Applications are provided to all students no later than the first day of school and are also available on the school web-sites and in the Principals' offices of each school. Complete one application per household for all children that attend the same school district. Households must

answer all applicable questions. Incomplete applications cannot be processed. Paper applications require up to five days to account for the additional time needed for mail delivery and manual processing. Households may apply for benefits at any time during the school year. Homeless, migrant, runaway youth and foster care children are categorically eligible for free meals. Households that do not agree with the determination may request a fair hearing.

*The mission of the Dighton-Rehoboth Regional School District, in partnership with parents and the community, is to provide students with the tools, including technology, to acquire knowledge, apply skills, critically analyze information and issues, and develop social responsibility.*

**If you receive a letter that states your child(ren) are eligible for free meals via the direct certification process, you do NOT need to complete an application to receive free meal benefits. However, if there are students in your household that are not listed on this letter, please inform the school as these students are also entitled to free meal benefits.**

All meals served must meet the meal requirements as defined by the U.S. Department of Agriculture. If a child has been determined by a doctor to have a disability and the disability would prevent the child from eating the regular school meal (or alternate), the staff, in conjunction with doctor recommendations, will make substitutions at no extra charge. If your child needs substitutions because of a disability, please contact the school for further information.
