MassDOT District 5 – Work Notification – REED STREET BRIDGE

MassDOT will be conducting work in our community in the near future.

**Project Location:** Rehoboth  
**Estimated start date:** 12/20/2021  
**Project type:** Bridge replacement

## **STREET CLOSING ESTIMATED DATE**

# **2/22/2022**

**Description of work:** Complete replacement of the Reed Street Bridge over the Palmer River. Work includes the demolition of the existing superstructure and substructure and construction of a new single span prestressed concrete deck beam bridge supported by a micropile foundation. Work also includes roadway work at the bridge approaches, bridge riprap protection system, guardrail, and utility work.

**Description of Traffic Management:** Various traffic management plans/lane closures will be utilized as needed for start-up operations until the bridge is closed, at which point a detour will be utilized until the bridge can be reopened to traffic. Once the bridge is reopened, various traffic management plans/lane closures will again be used until the project is complete.

**Estimated Duration of work:** Project has a completion date of 6/24/2023

**\*\*\*PLEASE NOTE: Drivers who are traveling through the affected area should expect delays, reduce speed, and use caution. All scheduled work is weather dependent and or/ may be impacted due to an emergency situation. \*\*\***

Sincerely,  
Michael Costello  
Highway Superintendent
