The Rehoboth Veterans Memorial serves as an area where the Town of Rehoboth honors all veterans who served our country. Dedicated on May 25, 2015, the memorial was constructed by The Town of Rehoboth Veterans Memorial Committee and funded by the sale of custom bricks, cash donations and in-kind service donations from residents and local businesses totaling approximately \$150,000. Currently maintained by the Veterans Service Officer along with the Rehoboth Parks Commission, the Memorial features bricks, on its outer walkway, for each conflict dating as far back as the Revolutionary War with names of veterans who served our country while being a resident of the Town. Its location on Redway Plain is fitting given the field was once a part of Redway Farm in Colonial times and was used as a training ground for the militia during the Revolutionary War. In addition to the Town, we would like to thank the 2015 Veterans Memorial committee members: Ken Abrams, George Amaral, Anne Messenger, Larry Procopio, Derek Rousseau, Jennifer (Schwall) Rousseau, Steve Sammis and William Saunders. Thank you Architect Edward (Ted) Rowse and 2015 Parks Commission members: Kathy Amaral, George Cardono, Bob McKim, Lynore McKim and Chuck Procopio. Thank you Ryan Leffort, RDL Equipment, for donating your continuous caretaking of the beautifully groomed lawns; Dave Perry, Lisco Irrigation, for your donated irrigation system and annual services; our Veteran Valor Act volunteers who maintain the landscape beds and Bill Higby, International Island for maintaining the Redway Plain field. For Brick applications and Gazebo reservations, please visit the town website: <https://www.rehobothma.gov/park-commission> to complete the required documents. Thank you all for a beautiful tribute to our Veterans!
