**Town Administrator's Report:** Helen Dennen

- On June 8, 2016 was the Town properties auction, they took place at the property sights. George Colias was the auctioneer, Linda Greaves was a big help to me, thank you.
- Richard Grenier's last day as Veteran's Agent was June 16, 2016. I provided a letter of thanks to him.
- I attended the Municipal Licensing Meeting on June 7, 2016, ABCC had a presentation, they have been working on an electric licensing program that you can perform all licensing functions electronically. They have chosen some test pilot communities. No longer will see Form – 43. The applicant will apply online directly to ABCC and we will receive a notice electronically.
- I met with Don Backlund, he would like to present some new items regarding cyber threats to the Board. There is a free seminar coming up that I can attend.
- There will be no recommendation from Agricultural Commission regarding Action Item #11
- The COA Board asked if there could be a letter sent to the BP Superintendent thanking the teachers that helped with the refrigerator compressor. Letter is in to be signed folder. Helen listed the teachers.

**4.0) NEW BUSINESS: Action Item #1: Discussion: Solar Installations at Highway & COA**

David House-present to discuss inverter failure. COA still under warranty. Fall River Electricians are worth waiting for. The larger inverter let go faster. We need to have someone monitor these things because we lost a lot of time and money. When they are working you are saving money. Monitoring is \$500 per year, 3 year contract. We may be able to use renewable energy credits to pay for monitoring. Maybe we can train someone within the Town to monitor. Is there a way to monitor the system remotely? One is computer monitoring; then there is an on sight inspection, which should be done at least every 6 months. M. Deignan: Didn't we have a monitoring system here at the COA that we paid for. D.H.: The time has lapsed. People were trained but left and no one else took over. D. House is going to make a call to Fall River Electricians to see what the status is for the repair.

**Board of Selectmen, Meeting Minutes**  
**June 20, 2016**

On a motion made by G. Schwall Second by D. Perry it was voted to approve \$1500 for a three year term to have Solectria computer monitor solar systems at the Highway Department and the COA. All Vote 3-0

D. House to find someone to do onsite inspections. The Board agrees to have an outside person do the monitoring.

**Action Item #2: Joint Meeting with Finance Committee**

Colleen Simpson; Sue McBride; Michael Deignan; George Solas; Douglas Furtado-present

M. Deignan: a request going forward if we see Reserve Fund Transfers with no supporting documentation we will reject it. We need to know where the money is coming from. We don't know if the numbers are accurate. On the Fire Department buy back for vacation for the Fire Chief should be taken out of the vacation line which we need to start funding. G. Schwall: we will make sure that line is funded for next year. Helen to send a letter to all department heads stating they need to have documentation to support reserve fund transfers, budget amendments.

**Re-Organization of the Finance Committee:**

S. Vadnais asked for nominations for the position of Chairman to the Finance Committee. George Solas made a motion to nominate Michael Deignan to serve in the position of Chairman. Second, Colleen Simpson. Voted 4-0

**June 20, 2016**

**Action Item #5: Discussions re: Meeting with Attleboro Mayor Dumas**

S. Vadnais met with S. Howitt and Mayor Dumas to open a line of communication. The Chief Administrator and Fire Chief of Attleboro was also at meeting. We did discuss the compressor station and how it is close to a recreational facility in Attleboro. Their information was very out dated so Attleboro has asked that we forward any current information we may have regarding the compressor station. Attleboro wants to properly protect their residents. They also have two schools within two miles of the proposed site. We all were in agreement to share any information we receive. Helen forwarded the letter from Congressman Kennedy to Attleboro. The meeting was very successful; we both have a common interest.

On a motion made by G. Schwall Second by D. Perry it was voted to approve and authorize Chairman Vadnais to sign MEMA Contract for \$442.90 for FEMA reimbursement for March 2010 floods for Pleasant Street. All Vote 2-0(Vadnais abstained)

**Action Item #15: Highway Department**

D. Perry & G. Schwall met with mechanics and trucks look a lot better from the street. In very poor shape, some are unsafe. Three trucks are no longer maintainable. Need to be replaced sooner than later. The trucks do not have mileage but they have age; 1995 Mac, 1996 Chevy, 2000 Volvo. The salt kills these trucks. They are only used for snow removal. We have \$330,000 in Chapter 90 money. We can use this money for trucks. The cost of a new truck is \$169,000. Trucks are not equipped with plows or spinners and we cannot purchase with Chapter 90 money. Going forward; we need to see a plan that these vehicles are being maintained. They need to be cleaned after every storm. The Board suggests buying two trucks this year, two trucks next year, and two trucks the following year to keep the Chapter 90 account in the positive and the trucks this be replaced quickly. The Board mentioned leasing the vehicles. They will meet with the Treasurer to insure funds. There are two options to getting rid of old vehicles; trading them in or selling them at auction.

Do discuss next Monday:

- Find out cost value of lease
- Address concerns of the fleet this year
- Research municipal auction website

**OPEN PUBLIC FORUM:**

Ron Whittlemore: 21 Pond Street; Clarification on what job the BP students did; they moved a compressor from the back of the building to the side, shortening the run from 50 feet to 8 feet. A very professional installation, it is now off the ground and frees up space for the potential generator. Great job by the fourteen kids, Linda and Billy.

- ✓ Could the Board expedite the Senior Tax Work Off Documents Applications? S. V. We will do it at the next meeting
- ✓ Could we have a periodic update on the generator and boiler? D.P.: We have an engineer coming in for the boiler but not the generator (D.Perry to communicate with R. W. on this)
- ✓ Thank you for sending a letter to BP and the project was internally funded costing \$243.25, you can't beat that.

**DEPARTMENT HEAD REPORTS**

**6/20/16 Selectmen's Reports:**

**Vadnais:** Asking departments to get together with issues, concerns and maybe remedies for the violations at Wig Wam Auto Sales, we have a timeline. Helen sent them a letter.

- What was the ZBA decision on Mr. Wheaton's building? G. S.: They postponed the decision until July. DeBrum wanted to see if they could come up with a landscaping agreement. The ZBA is keeping in contact with both parties.
- Also the wedding facility that we get a lot of calls on has been approved by the ZBA as a Private Club.

**Schwall:** Who is in charge of maintaining our water holes? S.V.: The Fire Chief was; Reservoir Ave, Pleasant St., Perryville Road have them. They are exempt from Conservation. We no longer use them because of maintaining factor. We now use dry hydrants. G.S. will talk to Chief Barresi in regards to watering holes and if they will be used in the future.

**Pimental: absent**
